### FINALIST

Phil Goyen and Michael Usher

*60 Minutes*

Divided States of America

While the news had been filled with stories of American black men being shot by the police, producer Phil Goyen believed that no-one was putting these headlines into context.

Travelling to Minnesota, Goyen immersed himself in a Black Lives Matter protest. Using his Iphone, Goyen captured anger, violence and frustration (as well as a lot of smoke bombs and pepper spray). Digging deeper into the current situation, Goyen was shocked to discover (and witness) that segregation is as bad, in some American cities, as it was during the civil rights movement of the 1960s and 1970s.
